

College of Management and Technology

RAF Wyton Training Centre

By Road

From the North (A1 Southbound). From the South (A1 Northbound). From the West (A14 Westbound). Proceed to the A1/A14 intersection, the 'Brampton Hut' roundabout, take the exit sign posted Huntingdon, continue to the next roundabout ('Spittals Interchange'), continue straight over (sign posted Huntingdon) to the next roundabout. Head straight over, taking the exit sign posted 'March A141', continue straight over a small local roundabout before arriving at a larger roundabout. Head straight over and down the hill, at the bottom take the first exit off the roundabout, sign posted A141/RAF Wyton, and head up Wyton hill, at the top take the third exit off the roundabout, sign posted RAF Wyton/B1090. After a few hundred meters turn left at the roundabout, in to the RAF Wyton main entrance.

From the West (A14 Eastbound). Leave the A14 at the St Ives junction, take the first left at the roundabout, sign posted St Ives, which will take you over a flyover crossing the A14. Continue on this road, at the next roundabout head straight over towards St Ives, crossing the river bridge. At the roundabout head straight over, at the next roundabout, take the first exit marked 'All Routes'. Continue until the next roundabout, take the first exit, which leads almost immediately to a second roundabout, take the second

exit marked 'RAF Wyton'. At the next small roundabout, continue on the same road by taking the first exit. The road continues through a residential area and past a school, before terminating at a T-Junction with traffic lights, turn right on to the A1123 towards Huntingdon. Take the next right hand turn on to the B1090, sign posted 'RAF Wyton', continue to a roundabout and turn right in to the RAF Wyton main entrance.
